EDUCATION

Michigan State University | East Lansing, Michigan

Expected May 2027

- B.S. in Computer Science | B.A. in Supply Chain Management
- GPA: 3.4, Dean's List: 6/8 Semesters

PROFESSIONAL EXPERIENCE

Accenture | Technology Summer Analyst | San Francisco, CA

June 2026 – Aug 2026

- Supported GTM execution for a frontier AI enablement program, coordinating enterprise and education requests across intake, routing, trainer fit, regional coverage, scheduling, communications, and follow-up.
- Defined a 10-tab trainer-matching MVP data contract covering source mappings, triggers, request and trainer schemas, matching rules, warnings, explainable reason codes, outputs, test cases, and human-review paths.
- Analyzed ~2,200 learner responses and benchmarked ~20 AI and enterprise-learning providers, translating findings into adoption recommendations and a measurable 90-day guided-application pilot path.
- Mapped the end-to-end operating lifecycle, identified automation opportunities saving 25–60 minutes per request, and supported a pilot that returned 620+ hours of team capacity while improving scalability.

Ford Motor Company/Ford Credit | Software Engineering Intern | Dearborn, MI

Summers May 2023 – Aug 2025

- Led Agile software delivery for a 7-member engineering team, aligning product priorities, technical deliverables, and production releases while improving CI/CD and cloud workflows to reduce release cycles by 40%.
- Translated customer needs into a digital document automation feature, integrating Salesforce APIs with Adobe Experience Manager to increase delivery success by 15% and reduce data errors by 6%.
- Coordinated planning and releases across 50 members and 5 cross-functional teams, resolving dependencies and delivery conflicts to complete the project 10% ahead of schedule across 3 feature teams.
- Identified onboarding pain points and launched a centralized hub for 10+ interns, consolidating 15 setup resources with input from 3 teams to cut ramp-up time from ~2 weeks to 3 days.

PwC x Arc of Indiana | Consulting Extern

Aug 2024 – Oct 2024

- Built a weighted 7-category Excel scorecard and evaluation rubric for competitor analysis, giving leadership a repeatable framework for benchmarking, prioritization, and long-term strategy.
- Benchmarked 5 peer organizations across 10+ engagement and innovation metrics, translating findings into 5 leadership-adopted recommendations to expand reach and strengthen employer partnerships.

PROFESSIONAL AND LEADERSHIP DEVELOPMENT

Michigan State University Russell Palmer Career Management Center | Peer Coach | East Lansing, MI

May 2025 – Present

- Conduct 10+ weekly coaching sessions within a 25-member team, advising 100+ students on resumes, interviews, LinkedIn, networking, and case preparation through tailored one-on-one and group sessions.
- Communicate complex recruiting and case-interview concepts through clear, actionable guidance, earning ~40% of positive feedback across 800 appointments and 25 coaches.

Dashney's Women's Leadership Accelerator | Scholar | East Lansing, MI

March 2024 – Present

- Selected for Cohort 2, participating in executive sessions on strategic communication, influence, and women's leadership in business.
- Created a 40-member engagement initiative to strengthen cross-cohort participation and program visibility, coordinating logistics, communications, and execution across the community.

Spectrum Consulting Group | Consultant | East Lansing, MI

Sept 2022 – Present

- Analyzed 3,000+ customer survey responses for a national hotel chain, identifying engagement gaps and recommending 3 digital initiatives that increased social media interaction by 20%.
- Collaborated with a 7-member team to define 19 KPIs and evaluate 3 software platforms for a multimillion-dollar utility, delivering Balanced Scorecard and OGSM frameworks to improve resource planning.
- Led a \$15K automotive analysis workstream and mentored 2 analysts; redesigned lead-management workflows to reduce manual data entry by ~30% and project a 25% lift in demo conversions.
